Affordable servicing for vehicles 3 years and over!

Servicing for as little as £95 inc VAT

Servicing prices you can't afford to miss!

Fixed price servicing

for all vehicles of 3 years and older

At Hidsons we know how important it is to have your vehicle in peak, roadworthy condition. We also know that as your vehicle gets older, servicing and repairs can be expensive.

That is why we have developed 'Hidsons 321' - a 12 month or 12,000 mile servicing package for vehicles of 3 years or older, with competitive, fixed prices, giving you the peace of mind of main dealer servicing for less than you may have imagined.
